Subject: - Report of “Teacher’s Day Celebration” on 20th September 2024.

Respected sir,

With reference to above mentioned subject on the occasion of the Teachers Day & Engineer’s Day , the event " Teacher’s Day & Engineer’s Day Celebration " was organized in our S. B. Patil College of Engineering Under ECESA .

To commemorate **Engineers’ Day**, celebrated annually on **15th September** in honor of **Bharat Ratna Sir M. Visvesvaraya**, the E &TC Department organized a **Poster Presentation Competition**. The event aimed to encourage creativity and research skills among students by allowing them to visually present innovative ideas and engineering concepts. The Poster Presentation Competition was a resounding success, reflecting the creativity and technical prowess of the participants. It served as an excellent opportunity for students to showcase their engineering insight while celebrating the spirit of Engineers’ Day.

To make this event successful, 100+ students from our department have been Present and also they had shown their interest with great enthusiasm. As the coordinator of this event, we would like to thank our Management, Principal and our student volunteers for their support and continuous encouragement to organize this event.

Thanking you

Prof. S. M.Borate
