To,

The Principal,

SBPCOE,Indapur.

Subject:-Industrial Visit Report “Nath PUC center,Indapur” on 8th Feb 2025.

Respected Sir,

With reference to above mentioned subject mechanical department Of S.B.Patil College Of Engineering Organized one day industrial visit to **Nath PUC center,Indapur** on **8th Feb 2025**. Along with Staff members Prof.Gawade V.D. ,Prof.Bagal N.S. Mechanical Dept. 35 Students from the second and fourth year were participated in the visit.

Visit was organized with the prior permission and under guidance of honorable Dr.S.T.Shrikande Sir (Principal,SBPCOE),Dr.M.D.Jagtap(HOD,Mech.Dept).&our SE&BE Student taken efforts in Planing & Arranging this highly successful Visit.

Company Profile:-

A Nath PUC center,Indapur is a government authorised placed where the PVC certificates can be issued this centres are equipped with testing equipment that can test the level of initial vehicles is making there are millions of vehicles in India it was impossible for government to open and operate the PUC Centre itself therefore government authorised by private players to certify the vehicles with known pollution marking mark.

They are known for their friendly atmosphere and team work spirit delivering quality service for years. PUC stand for pollution under control the PUC certificate is document that certified that vehicles emission level are within prescribed emission standards in order to get the certificate vehicle is put through the PUC test these tests are generally carried out at petrol pumps in the country it is mandatory to take your vehicle for emission testing once every six months a new vehicle gets a PUC certificate with the validity of one year and the PUC certificate is contained contains the important data about your vehicles and test including the PUC certificate serial number and vehicle registration number date of test emission reading and validity of PUC test.
