Subject: Report of Guest Lecture on “CAE & CIM”

Respected Sir,

With reference to above mentioned subject Guest Lecture on “CAE & CIM” successfully conducted on 09/03/2024 for TE & BE students in the Hall (112).

Brief Introduction about the Expert Talk

The objective of this expert talk is to create awareness, to explore Design opportunities to students of Engineering. Expert faculty was Mr. Pankaj Navnath Waghmode, FEA/CAE Engineer Hyundai Heavy Industries Hinjawadi Pune.

During conduction of seminar 50 plus students were present. The session was interactive & informative. Expert explained basics of design softwares & critical thinking with their future scope. Latest trend in design & innovation. Innovative guidelines for students projects & case study, expert also shows a brief ppts on Ansys software case study.

Outcome of event:

1. Understands the Role of CAE and FEA cell in Design Industries.
2. Understands the opportunity , services offered by Design Engineering Industries.
3. Faculty and students of Engineering courses awareness about various facts of entrepreneurship as a career option in Design Engineering & critical thinking in Industry practices.
